If you've ever been to the South of France, you know the most addictive feeling of leisure and playfulness you experience during the summer months in the Mediterranean sun. It seems as if the entire

Cap d'Antibes 2017 by Olya Bar©

And not any book but specifically Bonjour Tristesse by **Françoise Sagan**. I grew up reading her books and would devour them over the summer months when I had extra time to get away from it all and daydream about vacationing in France one day. My dream came true many years later, and I will never forget the anticipation. I felt as if I already knew what to expect. I was not disappointed. On the contrary, I fell madly in love.
