Emocean Absolute lifting

€ 40,00

www.emocean.it

Lift-up effect with this cream with the latest innovations in functional substances, such as Seadermium combined with Sirtalice, for the ultimate lifting action while stimulating Collagen production. Black Tahiti Pearls are rich packed in minerals and amino acids, while Perlite is an organic powder increasing reflectance and minimizing imperfections, for Powerful incredibly velvety skin.

Clairial Day Repair Cream

€ 30,00

www.emocean.it

The Brilliant Day Cream - white specialist

Face cream packed with natural enzymes extracted from Papaya, Mango and polyhydroxy acids such as Lactobionic and Lactic Acid, supporting the cell renewal process in case of hyperpigmentation and skin thickening. The photoluminescence-based phyto-complex extracted from Mullein prevents the synthesis of tyrosinase and melanin, protecting skin from the oxydative stress caused by UV rays.

NEW

Ready, Set, Glow

In Spring 2021, MADARA introduced its take on Vitamin C skincare with a glow-boosting moisturiser. Now, it is joined by Vitamin C Intense Glow Concentrate – a potent brightening essence bursting with antioxidants – to offer a synergistic duo for a more even skin tone, collagen protection and radiance boost that will bring dull complexions back to life.
