Esxence 2022: My Focus on Citruses

Citrus perfumes, the group I want to start with from the Esxence art exhibition in Milan, are the perfect choice for the current temperatures and the scorching days we experienced during the fair, but also the upcoming summer that will definitely require this kind of cooling. The olfactory refreshment, vitality, and energy boost given by citrus perfumes always attract me more than anything.

The new [Riviera Sunrise](#) picks a different citrus to seduce us; it reveals the beauty and sweet, delicate freshness of mandarin oranges, combined with sweet lemon and juicy orange. However, it's not an "orange fragrance;" I'd
