Esxence 2022: “Through The Mirror”+ Best of Show Draw Part 1

Although this was my first experience at Esxence whose theme this year was “Through The Mirror”, CaFleureBon has been a media partner since 2010. Unfortunately, our Editor in Chief Michelyn Camen could not be in attendance, but she was there in spirit and was missed. I took the red eye flight out of Manchester and headed out to Milan full of excitement. I dropped off my luggage and

Top five to try and five to revisit: Of the plethora of new releases for 2022 which I smelled here are my top five you must try. The new **Puredistance M V2Q** which will launch in September, **Elementals Tong Ren** by **Alexandre Helwani** due to unveil later this year, the recently released **Hiram Green Arcadia**, **Masque Milano White Whale** and **Essential Parfums Fig Infusion**.

Five perfumes you should revisit as soon as possible, **Naomi Goodsir Cuir Velours (Julien Rasquinet)**, just how good is this fragrance! **Eris Parfums Belle De Jour**, which works magic on my skin, **Le Jardin Retrouve Cuir De Russie**, **Musicology 'Cause I'm Happy** and **Christele Jacquemin Underworld**.

Other notable experiences included meeting **Franck Salzwedel of Elisire** for the first time. He was an absolute gentleman and his passion for perfume continues to shine through. I also spoke with **Alessandro Brun of Milano Fragranze** and had the opportunity to experience his new release **Affari**. a beautiful
