AMBERBOMB

CAN YOU FEEL THE POWER?

A scent with an unbelievable power: the pure representation of Perfumery's enthusiasts' energy. Laboratorio Olfattivo launches on the occasion of Esxence 2024, a brand-new fragrance.

Not only a perfume, but a unique chapter of the story of the brand: Amberbomb.

"Through the collaboration between Laboratorio Olfattivo and Arturetto Landi, a new range of fragrances was born: the Extreme Collection. An exclusive selection of perfumed creations made of precious and diffusive raw materials, refined formulas and packaging." Roberto Drago – Co-founder and Creative Director of the brand.

Power, opulence, creativity, originality, high quality. This is Amberbomb. A fragrance made to impress, able to amaze and fascinate. Amberbomb, with its mix of fruity, floral, dry woody and amber notes, intrigues and seduces. A long-lasting perfume with a great projection. Its vibrant opening with fruity notes is diluted by bitter notes of coffee, which give depth while melting with an enveloping floral heart, composed of powerful flowers such as rose, iris, jasmine and lily of the valley. This floral harmony reveals an ethereal and refined scent that softens the base: that's the deepest secret of the fragrance. The warm and sensual notes of amber and vanilla match the earthy, woody notes of patchouli and sandalwood, while leather and nagarmotha provide mystery and seduction. Amberbomb draws attention while leaving a memorable trail. Luxury and magnetism...
