Dusita Tonka Latte is an airy whipped latte with a smidgen of cinnamon. It is basically all of the ingredients in the latte besides the coffee — and it *absolutely drips* throughout with a glorious honey note! The white chocolate in Tonka Latte is delicious, but it does not command attention like the honey does. Pissara Umavijani is the Taylor Swift of the perfume world: She can seemingly compose a hit within any genre she chooses, and her gourmand style is also a huge winner in my book!
